Katie Thielman – Student of the Month

Katie has lived in Hudson 13 years, having moved here from Colorado Springs. She's part of Senior Mentors, and a Sustainability group at the high school, focused on green activities – including ripping out buckthorn from the school forest. Katie is also a member of the National Honor Society, the vice president of SADD (students against destructive decisions) and active in the Bethel Youth Group. She's a sprinter on the varsity track team, a member of chamber choir, and will be a chorus member in the school musical this fall. A big highlight from high school has been the trips with science teacher Mrs. Muller, one year to Alaska, another to Yellowstone. Next year it's off to Iowa State, to study materials engineering – especially something on the nanotube area.

Katie Wetzstein – Student of the Month

Katie has spent her entire life in Hudson, living here with her parents and two sisters. This fall she is the captain of the cross country team, with the big sectional meet this Saturday. The girl's team is young this year, but it is exciting for Katie to observe the constant improvement. Katie has also been part of the Student-to-student group, a Senior Mentor, and worked this last summer as a lifeguard and swim instructor. For college, several schools are showing interest because Katie can run so fast, and the leading candidates seem to be the University of Minnesota, University of South Dakota, and Drake University. South Dakota has a clear edge because their living situation for athletes will make it much easier for Katie to handle gluten-free living – she was diagnosed with Celiac's disease five years ago. In college Katie hopes to major in some area of Life Sciences or Human Biology.
