## Students of the Month

Ruth Dolan has been active in 4H, choir, piano, and the youth group at her church. She also attended a Rotary sponsored World Affairs seminar at Carroll University, where she spent time with a roommate from the Caymen Islands and learned about other parts of the world through other attendees from Spain, England, and Croatia.

Nadja Mataya played violin for 7 years, and has enjoyed soccer, dance, and studio art during high school years. She plans some international focus at college, studying language and cultures, perhaps with a visit to Spain or South America. A real goal is to find something that will “connect one with the world and beauty.”

## Program – Tasha Schuh

Tasha was an Ellworth high school student preparing to appear in a production of “The Wizard of Oz” when an accident changed her life in an instant. A fall through an open trap door on stage to a concrete floor 16 feet below left her badly injured, paralyzed from her chest down. Tasha's story of recovery and and struggle is quite inspirational, and she clearly loves her mission in life, to act as a public speaker. Through all of this, Tasha managed to graduate on time with her high school class, earned two bachelor degrees in college, and has almost completed a book. She also was just named Miss Wheelchair Wisconsin, and will soon advance to a national competition.
